32. And I Thank You Lord

G C D Bm Em
And I thank You Lord, for the trials I feel inside,
Am D G
That You're there to help lead and guide me away from wrong.
C D Bm Em
And I thank You Lord, for the patience those trials bring;
Am D G
In that process of growing, I can learn to care.
Am D₇ Bm Em
But it goes against the way I am to put my human nature down,
Am D₇ G
And let the Spirit take control of all I do.
Am D₇ Bm Em
Cause when those trials come my human nature shouts the things to do,
Am D₇ G
And God's soft prompting can be easily ignored.

And I thank You Lord with each trial I feel inside,
That You're there to help lead and guide me away from wrong.
Cause You promised Lord that with every testing
That Your way of escaping is easier to bear.

And I thank You Lord for the victory that growing brings,
In surrender of everything life is so worthwhile.
And I thank You Lord, that when everything's put in place,
Out in front I can see Your face and it's there You belong.

D E A
You are the light of the world.

You are the bread of life, O Lord, broken to set us free.
So how could there be any hunger in me, if You are the bread of life?
You are the bread of life.

You've overcome the world, O Lord. And given us victory.
So how could I fear when trouble is near, if You've overcome the world?
You've overcome the world.

Wipe every tear away, O Lord, and teach us the song of the Lamb.
Your promise is true, but it's still up to You, to wipe every tear away,
Wipe every tear away, wipe every tear away.

82. What Have I Ever Done

A D A E
What have I ever done to deserve even one of the pleasures I've known.
A D A
What did I ever do that was worth loving You
E A
Or the kindness You've shown.
D A E A
Lord help me Jesus. I wasted it so help me Jesus. I know what I am.
D A E
And now that I know that I needed You so, help me Jesus,

My soul's in Your hand.

If You think there's a way I can try to repay all I've taken from You,
I can show someone else what I've been through myself
On my way back to You.

And just when I think that means everyone but me,
G₇ C
Jesus comes beckoning to me.

Enter the holy gates, just as you are.
No need for a happy face, just come with your heart.
And Jesus will give us a joyful melody,
If only His calling we heed.

We are His little ones, the children of God,
Children and fellow heirs of His kingdom come.
We share the greatest love that the world has ever seen
Here in the Lord's family.

"As your days, your strength shall be in measure."
This pledge to me He made.

143. Say "I Do"

F Gm7 C7 F
Many years have come and gone, since He walked upon the ground.

Dm Gm7 C7 F
They say lies don't last so long, so why's His story hanging around?

F Gm7 C7 F
And why do people stop and pray, to a man that's dead and gone?

Dm Gm7 C7 F
When I ask them they just say, "He's coming back to take me home."

F Gm7
Anybody here want to live forever, say "I do."

C7 F
Anybody here want-a walk on golden streets, say "I do."

F Gm7
Anybody here sick and tired of livin' like you do;

F Dm7 Gm7 C7 F
Anybody here want a home with love forever, say "I do."

F Gm7 C7 F
And they say you will never know, till you walk up to that Man,

Dm Gm7 C7 F
And you look into His eyes of love, and you touch the nail-scars in His hand.

F Gm7 C7 F
And then if you can walk away, knowing all He died to do,

Dm Gm7 C7 F
That's when I'll just have to say, I guess He didn't die for you.

But we'll keep you close as always. It won't even seem you've gone.
'Cause our hearts in big and small ways will keep the love that keeps us strong.

505. Let Us Pray

G Em C
I hear you say your heart is aching. We've got trouble in the making

Am
And you ask if I'll be praying for you please
G Em C
And in keeping with convention, I say "yes" with good intentions

Am
To pray later making mention of your needs
C G/B Em
Since we have this moment here at heaven's door
C G/B D Em
We should start knocking now, what are we waiting for

C G/B D Em
Let us pray, let us pray, everywhere and every way

C G/B D
Every moment of the day, it is the right time

C G/B D Em
For the Father above, He is listening with love

C D
And He wants to answer us, so let us pray
C G/B D Em
(Let us pray without end, and when we finish start again

C D
Like breathing out and breathing in. Oh! Let us pray)

So when we feel the Spirit moving
Prompting, prodding and behooving
There is no time to be losing, let us pray
Let the Father hear us saying
What we need to be conveying
Even while this song is playing let us pray
Just because we say the word "Amen"
It doesn't mean this conversation needs to end
